Underground Storage Tank Removal Notification

By submitting this permit application to the Department of Permits, Approvals, and Inspections, the applicant agrees to the following conditions:

- The applicant is a Maryland Department of the Environment – Certified Underground Storage Tank Technician or Remover.
- Removal will be performed in accordance with Baltimore County Code 33-7.
- For residential and farm tanks less than 1,100 gallons, an inspection will be arranged with Ground Water Management (410-887-2762) prior to conducting any tank removal activities.
- For all commercial tanks and residential tanks 1,100 gallons or greater, Maryland Department of the Environment will be notified at least 30 days prior to conducting tank removal work (410-537-3442). A copy of the MDE inspection report will be submitted to Ground Water Management subsequent to removal.
