WHEREAS, based on information currently available, on December 25, 2021, the current statewide 7-day COVID-19 positivity average was 15.85%; and

WHEREAS, The statewide COVID-19 positivity average increased by 264% from November 26, 2021 to December 25, 2021 (4.36% to 15.85%); and

WHEREAS, As of December 26, 2021, ICUs statewide are at 89% capacity; and

WHEREAS, The COVID-19 public health catastrophe and public safety emergency continues, threatening lives, health and property in Baltimore County and requiring Baltimore County to call all of its resources into limited or long term activation; and

WHEREAS, State assistance may be needed to protect public peace, health and safety pursuant to Title 14 of the Public Safety Article of the Annotated Code of Maryland; and

WHEREAS, Resources are requested under applicable state and local emergency plans and may consist of personnel, equipment and use of facility space, as needed for this emergency to protect the public health, peace and safety of Baltimore County.

NOW THEREFORE, BE IT ORDERED AND PROCLAIMED, by the County Executive of Baltimore County, Maryland that, in accordance with the authority granted by the Charter and Laws of Baltimore County, Maryland including, but not limited to Section 3-1-503 of the Baltimore County Code, and pursuant to any and all granted by the Maryland Constitution and the Laws of Maryland, including but not limited to §14-111 of the Public Safety Article of the Annotated Code of Maryland, **THAT A STATE OF EMERGENCY EXISTS IN BALTIMORE COUNTY, MARYLAND, AND**

IT IS FURTHER ORDERED THAT:

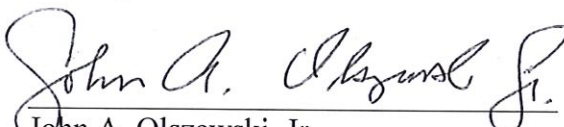

1. This Declaration of a State of Emergency shall be promptly publicized; and
2. A copy of this Executive Order is to be filed with the chief local records-keeping agency;

3. Pursuant to Baltimore County Code 3-4-303(b) and the powers afforded to the Local Health Officer and County Executive by law, including, but not limited to the Baltimore County Code and Charter, the Public Safety Article and Health General Article of the Annotated Code, the County Executive shall consult with the Local Health Officer and may adopt appropriate measures in support of the Local Health Officer to arrest the progress of the spread of the COVID-19 virus and its variants.
4. The Local Health Officer is authorized by the County Executive to use the assistance of code enforcement, building inspectors and public safety personnel of Baltimore County for assistance, including enforcement, as needed.
5. An order of the Local Health Officer issued pursuant to Baltimore County Code 3-4-303(b) may be enforced using those measures set forth in the Baltimore County Code, including but not limited to the penalty set forth in Baltimore County Code 1-2-217, for any individual who violates a local Health Officer Order. And that notwithstanding anything to the contrary herein, this does not limit the authority of the Local Health Officer to issue any Order or Directive pursuant to state law.
6. In the event that the state of emergency will continue beyond January 3, 2022, pursuant to the authority granted by Section 208(e) of the Baltimore County Charter, the County Council shall be called into emergency session to consider a resolution consenting to the continuation of the state of emergency, as required by §14-111 of the Public Safety Article of the Annotated Code of Maryland and Section 3-1-503(d) of the Baltimore County Code.

NOW THEREFORE, pursuant to the authority vested in me by the State law, the Baltimore County Charter, and laws of Baltimore County, I, John A. Olszewski Jr., Baltimore County Executive, hereby proclaim and declare that a state of emergency exists in Baltimore County this 27th day of December, 2021.
