OPINION AND ORDER

This matter comes before the Office of Administrative Hearings (“OAH”) as a Petition for Administrative Variance filed by the legal owners of the property, Jason R. Navari and Amy R. Auerbach (“Petitioners”). The Petitioners are requesting Variance relief from Baltimore County Zoning Regulations (“BCZR”) § 1A03.4 to approve an addition on the right side of the house with a 25.5 ft. setback in lieu of the required 50 ft. minimum setback.

The subject property and requested relief is more fully depicted on the site plan that was marked and accepted into evidence as Petitioner’s Exhibit 1.

The Petitioners having filed a Petition for Administrative Variance and the subject property having been posted on December 20, 2020, and there being no request for a public hearing, a decision shall be rendered based upon the documentation presented.

The Petitioner has filed the supporting affidavits as required by § 32-3-303 of the Baltimore County Code (“BCC”). Based upon the information available, there is no evidence in the file to indicate that the requested variance would adversely affect the health, safety or general welfare of the public and should therefore be granted. In the opinion of the Administrative Law Judge, the information, photographs, and affidavits submitted provide sufficient facts that comply with the

requirements of § 307.1 of the BCZR. Furthermore, strict compliance with the BCZR would result in practical difficulty and/or unreasonable hardship upon the Petitioner.

Pursuant to the posting of the property and the provisions of both the BCC and the BCZR, and for the reasons given above, the requested variance should be granted.

THEREFORE, IT IS ORDERED, this **6th** day of **January, 2021**, by the Administrative Law Judge for Baltimore County, that the Petition for Variance relief from Baltimore County Zoning Regulations (“BCZR”) § 1 A03.4 to approve an addition on right side of the house with a 25.5 ft. setback in lieu of the required 50 ft. minimum setback be and is hereby GRANTED.

The relief granted herein shall be subject to the following:

- Petitioners may apply for the appropriate permits and be granted same upon receipt of this Order; however, Petitioners are hereby made aware that proceeding at this time is at her own risk until such time as the 30-day appellate process from this Order has expired. If, for whatever reason, this Order is reversed, Petitioners would be required to return, and be responsible for returning, said property to its original condition.

Any appeal of this decision must be made within thirty (30) days of the date of this Order.
