

Baltimore County
Citation Review Request Form

Please complete this form to request a review of a speed camera citation you received in Baltimore County. Most reviews take 3 to 5 business days to complete. However, on occasion the process may exceed the five-day time frame. All decisions will be conveyed in writing. All citations remain valid until a final decision is reached by the Citation Review Section. If the citation is voided, the County will adjust all records accordingly. If the citation is upheld, the recipient can pay the fine or request a court date for further consideration.
