April 19, 2023
Meeting Agenda**

Virtually Held via WebEx

1) Welcome, Introductions and Opening Announcements

Terri Parrish, Commission Chair

2) Discussion: Housing Matters

The primary focus of this meeting will be housing matters. Terry Hickey, Director of Baltimore County Department of Housing and Community Development, wishes to engage with Commission members on this important topic and allow for an extended, back-and-forth conversation. This will be a work session, a listening session and an opportunity to touch on a variety of topics within housing. Agency representatives are free to invite staff experts/practitioners to join us.

3) Maryland General Assembly Session 2023

We are also open to entertaining a final report out on legislative, budget matters related to the Maryland General Assembly Session – what passed, what didn't, how is the budget -- as time allows and to the extent this topic continues to be of interest, during the April 19 meeting or the meeting scheduled for May 17.
