Yellow outline indicates that a field has field lighting.

## Paths and Trails

— Paved Surface

Trail	Miles
Woods Loop	0.5
Extended Woods Loop	0.4
Fields Path (Story Trail)	0.3

Northwest Regional Park has extensive recreational amenities. There are three lighted athletic fields, including two synthetic turf fields, as well as four baseball diamonds. Multiple pavilions throughout the park offer opportunities for families and friends to gather, and a paved path runs through a wooded area of the park, providing visitors easy access to nature's beauty. There are also two playgrounds, including the "Play Like a Raven" destination playground, which is situated off of the park's Lyons Mill Road entrance. At this themed playground kids can enjoy climbing structures, musical elements, and a forty-yard dash and challenge course.
